## NEW PROGRAMS TO INFORM AND INSPIRE

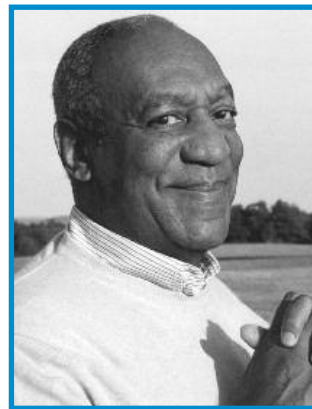

### AMERICAN EXPERIENCE: The '30s

**Mondays at 8:00pm**

This month, *American Experience* provides important context for modern economic concerns by exploring American life in the tumultuous decade of the 1930s.

"Civilian Conservation Corps," on November 2, interweaves rich archival imagery with the personal accounts of CCC veterans to tell the story of one of the boldest and most popular New Deal experiments.

Other episodes this month explore the construction of the colossal Hoover Dam, the impact of the catastrophic drought that transformed the plains into the Dust Bowl, and an unlikely hero that gave hope to downtrodden Americans: Seabiscuit.

### BILL COSBY: THE MARK TWAIN PRIZE

**Wednesday, November 4 at 7:00pm & 8:30pm**

Dr. William Henry "Bill" Cosby Jr., American comedian, actor, author, television producer and activist becomes the 12th recipient of the annual Mark Twain Prize for American Humor this month. The program, recorded at The John F. Kennedy Center for the Performing Arts in Washington, D.C., recognizes the life and achievements of this beloved comedian, including an assortment of classic film clips from Cosby's career.
